Linksys™

Atlas Pro 6 Series

A better WiFi has arrived.

“ It promises, and delivers, quicker speeds, enhanced security and improved connectivity to more devices on the network, but its greatest appeal lies in its affordability. ”
Geek Culture

GOLD AWARD -2023- GEEK CULTURE

- WiFi 6 speeds up to 5.4 Gbps
- 30+ devices (Capacity per node)
- 160MHz Bandwidth Channel
- Works with other Intelligent Mesh™ systems and routers
